

# DON'T GET LEFT BEHIND

## Become Copyright Compliant Today!

Create a competitive edge in your market by showing licensed Hollywood motion pictures! Because showing movies on motor coaches without permission is a violation of federal copyright law, the **ABA**, **UMA** and **Motorcoach Movies** have teamed up to bring you two exciting offers to enhance your passengers' travel experience.

### 1 Fleet Licensing Service

Allows coaches to legally exhibit movies that are borrowed, rented or purchased from any legal source for a special discounted rate for ABA and UMA members of \$80 per coach, per year.

Regardless of whether a motor coach company, the chartering group or the passengers provide and show the film, all films must be licensed. To avoid the possibility of embarrassing publicity and costly legal fees and fines, make the affordable choice with Motorcoach Movies.

### 2 Leasing Plan / Studio-Edited Movies

Allows coaches to choose from over 6,000 titles, including studio-edited versions to assure appropriate content.

Available *exclusively* from Motorcoach Movies for only \$25 per title, per month rental.

**Motorcoach Movies** is the SOLE SOURCE for motor coach public performance licensing, representing most of Hollywood's major studios for nearly 70 years in numerous non-theatrical markets, including colleges, hospitals and cruise ships.

Give your passengers more than a great ride.
