Halloween

"Before our Halloween showing of 'Hocus Pocus', the city's police, fire, and public works employees brought their vehicles to our trunk or treat event. We invited everyone to dress up - it was a huge success!"

– Kaitlyn Gallegos
City of Sulphur, LA

Event Idea

Carve out the perfect Halloween programming for your community with spooky and spellbinding films paired with something special for every age group – like an easy DIY for the kiddos, frightfully good concession options for teens and a fun photo op so parents can bring home a keepsake to remember all the family fun!

Christmas

"We showed 'Elf' on our lawn the last Tuesday of November. Each year we light up our park, Live Oak Commons, for the whole month of December, and this past year we showed the movie underneath the sparkling holiday lights. It was our largest turnout yet! We also offered complimentary hot chocolate to those attending since it was a bit cold. All the families had a blast!"

– Caitlyn Hoffman

RiverLights of Wilminton, NC

Event Idea

This winter, make sure your park has all the trimmings by sharing festive, all-ages holiday films with your community! You can swell the season's merriment by making the movie the main event, or pair holiday film's with themed programming, like Breakfast with Santa, winter carnivals, tree lightings, craft markets and more. For added fun, feature a simple craft that can double as a gift for a loved one – like DIY keepsake ornaments, jewelry, bookmarks or coasters. Or, teach attendees how to wrap their gifts like a pro with a gift wrapping workshop before the show!
